Cllr. Killian noted that members of a particular Board of Management are being subjected to undue pressure including legal proceedings and that it is important that LMETB provides as much support as possible. Cllr. Killian expressed the fear that current members might step down or that prospective members would not put themselves forward and that this would be to the detriment of schools. Director of Schools noted that all correspondence to Boards of Management is to go through the Principal, as secretary to the Board, and that Principals would contact her to discuss issues related to correspondence. Director confirmed that she would contact the school principal in this case.

A discussion took place regarding the availability of places in ASD classes and the impact which the practices of non-ETB schools can have on availability.
